

NOT FOR PUBLIC RELEASE

April 21, 2016

NOTIFICATION TO STATE REGISTRATION OFFICIALS:

Enclosed is our Product Label in support of the following:

DuPont™ Glean® XP Herbicide
EPA Reg. No. 352-653

The label was modified to incorporate BOLT™ technology soybean information into *Noncereal Crops – Recropping Intervals – Non Irrigated Land* charts and update targeted label language for consistency and clarity.

I have also enclosed the following documentation:

- EPA Approval letter and stamped “Accepted” label, dated March 17, 2016
- Product Label A01701563_R4 for use with SL-1997 031716 03-17-16

Should you require additional information do not hesitate to contact me.

Sincerely,

Annette Marine
State Registration Specialist
